

THE QUESTERS SOCIETY

Hosts A Group Abundance Repatterning Session WITH SUKI FOX

"I attract and enjoy a consistently growing abundance
of love, time, currency, joy, freedom and community"

Ever wanted to be two places at once? I have spent a glorious summer doing group Abundance Repatterning Sessions at festivals around BC, and at the recent *1 Big Tree* festival that is exactly what happened! Out of 40 participants only one was physically present because our session coincided with the opening ceremony, so I simply proxied, or energetically included, the 39 other participants into the session.

This is the wonder of the Quantum world! They gave me their information and permission to muscle-check on their behalf; their energetic systems were included while their physical bodies were elsewhere. Muscle-checking, also known as applied kinesiology is a simple, accurate way to identify the information stored in us since birth (and before) from anyone's hologram or database.

This data base, or you may also call it your higher-self, knows what, why and how energies are affecting you; most importantly how to change it. I work on the level of Resonance with clients, and help them shift so they have energy for their intentions instead being stuck with their limitations. This also works with groups by proxy. Group common issues will surface and the specific modalities used will permanently shift each participant's resonance. I proxied the session through the one person who did attend. Proxy work can also be done on animals and children, when they give me permission to check on their behalf. The statement we shifted for this group was "I attract and enjoy a consistently growing abundance of love, time, currency, joy, freedom and community". Participants in the session told me afterwards they enjoyed the session and sought me out to share the experience of their energy shifting even though they were not physically there!

My next group Abundance session is for the Kamloops Questers meeting on November 22. It's ideal to attend in person as it is a more complete experience but if not possible, just let me know and I can proxy you in so you can also experience being in two places at once! www.sukifox.com (250)307-7301 suki@sukifox.com

Twin Rivers Questers is a new Chapter of Canadian Questers Society. (non-profit) We meet once a month to discuss, explore various topics: dowsing, energy systems, and holistic health, remote viewing, orbs, crop circles, science as it pertains to new developments and events. We have a speaker at our gatherings, once a month. In Kamloops, we meet 3rd Thursday. 7-9pm at 814 Lethbridge Ave, Kamloops. Come to a Questers meeting, and you can connect with other like minded people! Call Corinne Mackenzie Cell: 250-852-1580 for more information.
